PA ChooseLife will process the application and you will receive your CHOOSE LIFE license plate from PENNDOT in 4-6 weeks. PA CHOOSE LIFE reminds you that after you have received your new plate, you must either send your old plate back to PENNDOT or destroy your old plate in order to ensure your vehicle registration's safety.

Upon receipt of your plate, you will receive one registration card. If additional registration cards are desired, the fee is \$2.00 for each additional card. This payment must be included with your order.

From the \$58.00, fee the state will receive \$38.00, which pays for your license plate. This plate belongs to you. PENNDOT requires no annual fee to retain this plate. The additional \$20.00 is a donation to PA CHOOSE LIFE, which is organized to raise funds for crisis pregnancy centers and maternity homes.

Personalization of your plate would cost an additional \$128.00, bringing the total amount to \$186.00.

Each year, PA CHOOSE LIFE will request that you renew your annual \$20 donation. These renewals provide important additional funding for pregnancy centers and maternity homes.
